## COMMUNITY SERVICE HOURS

[Scout completes this section]

In order to maintain the same level of Service Hours for all Scouts in troop 93, the Troop Committee has established the following guides lines with regards to Service Projects, Beneficiaries, etc. Troop 93 will use the same criteria used for the advance of Rank, as stated in the Scout handbook. All service hours, or projects for service hours, must be approved prior to the start of the project of volunteering of the hours. The Troop regularly conducts unit service projects on a yearly basis; these projects DO NOT need prior approval.

### Second Class Rank

“ For the [Second Class](#) Rank, a Scout must participate in a service project or **projects approved by his Scoutmaster**. The time of service must be a minimum of one hour. This project prepares a Scout for the more involved service projects he must perform for the Star, Life, and Eagle Scout Ranks. ”

— [Advancement Policies](#) #33088, page 27

### Star and Life Ranks

“ For [Star](#) and [Life](#) ranks, a Scout must perform six hours of service to others. This may be done as an individual project or as a member of a patrol or troop project. Star and Life service projects may be approved for Scouts assisting on Eagle service projects. **The Scoutmaster approves the project before it is started.** ”

— [Advancement Policies](#) #33088, page 27

### Eagle Rank

5. While a Life Scout, plan, develop, and give leadership to others in a service project helpful to any religious institution, any school, or your community. (The project should benefit an organization other than Boy Scouting.) **The project plan must be approved by the organization benefiting from the effort, your Scoutmaster and troop committee, and the council or district before you start.** You must use the Eagle Scout Leadership Service Project Workbook, BSA Publication No. 18-927E, in meeting this requirement. ”

— [Boy Scout Requirements](#), p. 17
